Ok boys and girls I have updated the points and race results from the last race(sept. 20th). Again I am sorry for the delay but as most of you know I have been going threw a tough time the last few months. Everything is now normalizing (somewhat) and my dedication to updating the site should be back to normal. With that said..... IT'S TIME TO RACE. The next race is this weekend (the 18th). It will be the normal morning start time. Track should be set up by 10-10:30am, qualifying at 12:30. BTW congrats to our local guys that went to Texas for the IMDRA World Finals. They set numerus records and brought home some hard ware. Awesome outing guys!!!
